

## Kehillah Report

The transition to a new On-Site Manager went smoothly. Nathan Burgess, our new manager, is doing a great job and has been well received by the residents and their families.

McMenamins has graciously agreed to hold a second fundraiser to benefit the residents of Kehillah. No date has been selected yet.

We have been preparing for our first REAC Inspection, which is scheduled for September 1, 2015.

The newest tenant has adjusted well and has been a good addition to the group.
